## Summer Enrichment Programme Virtual Mobility (SEPVrUM)

This Virtual Mobility (SEPVrUM) stems from our most renowned Summer Enrichment Programme, where we bring our world-class education to you without having to leave the comfort of your home. The programme approaches a range of interactive and participative methods of teaching and learning to allow the participants to learn from both what is taught and how it is being taught.

### English Language Courses

Participating in the English Language Course from anywhere in the world. Our 3-week English Language Course takes place virtually at the comfort of your home, where the class sizes are kept small with the assistance of i-smart buddies to maximise interaction between participants and instructors.
