

2021-2022
Sorbonne University
Faculty of Sciences and Engineering,
Sorbonne University (SU) International Partnership
Grants

Sorbonne University and Okayama University have forged a strong partnership over the past 7 years with many SU students coming to OU and OU students going to SU. In the hope of strengthening these exchanges further, SU generously created four new grants for OU students. We are happy to announce the call for Sorbonne University (SU) International Partnership Grants application.

1. Eligibility

SU grants are for students registered in a **Master's course and Doctor's course (during the whole research/study period at SU), specializing in Chemistry, Physics, Life Science, and related fields at Okayama University.** Annotation: OU students, who have been admitted to the OU Master's course, will also be eligible.
