The application periods and test dates differ depending on the type of entrance examination. The main ones are listed in the table below. ただし、海外入試(下表の海外入試欄に○がある場合)は 来日不要ですが、スカイプなどオンラインによる面接を実施します。 For details, please see *1.

Note that as a general rule, our entrance examinations are held at Okayama University, so examinees need to come to Japan for the examinations.

4. 学部に入学を希望する場合、受験前に自分で指導教員 (受入教員)を探す必要がありますか?

学部の正規課程に入学する場合、指導教員(受入教員)を 自分で探す必要はありません。

ただし、学部の研究生になる場合は、出願にあたり自分で 指導教員(受入教員)を探し、受入の内諾を得る必要があります。

5. 英語による授業のみで学位を取得できるプログラムが ありますか? 英語能力はどの程度必要ですか?

グローバル・ディスカバリー・プログラムでは、すべての授業が英語で行われ、学位も取得できるコースです。英語能力の最小要件スコアはありませんが、英語能力は入学試験や面接審査等で評価します。

なお、直近5年間の主たる教育を英語で受けていない場合、 英語資格・検定試験の成績提出が必要です。

6. 日本語ができなくても入学できますか?日本語能力はど の程度必要ですか?

本学の学部(グローバル・ディスカバリー・プログラムを除く。) の授業は、日本語によって行われますので、授業を理解できる日本語能力(日本語能力検定試験N1相当) が必要です。

グローバル・ディスカバリー・プログラムでは、すべての授業が英語で行われるため、日本語能力は必要ありません。ただし、同プログラムの4月入学志願者は、日本語能力検定試験N1相当の日本語能力が必要です。

国際バカロレア選抜に出願される方は、言語 A を日本語で履修し成績評価が4以上の者が対象となります(一部異なる学部有り)。私費外国人留学生選抜に出願する場合は、日本留学試験で日本語の試験を課しています。

4. When seeking matriculation in a school or faculty, is it necessary to seek an advising professor (accepting professor) on one's own prior to taking the examination?

For admission to official courses at undergraduate level of a school or faculty, there is no need to seek an advising professor (accepting professor) on one's own.

However, if one wishes to become a research student in a school or faculty, one needs to seek an advising professor (accepting professor) on one's own before applying and obtain unofficial consent for admission.

5. Are there any programs one can obtain a degree in that have classes in English only? What level of English language proficiency is required?

All classes in the Discovery Program for Global Learners are held in English, and one can obtain a degree. There is no minimum required score in English language proficiency, but English language ability is evaluated through the entrance examination and interview examination.

Note that those who have not received education primarily in English during the most recent five years will need to submit the results of an English qualification or certification examination.

6. Is it possible to be admitted without being able to speak Japanese? What level of Japanese language proficiency is required?

Classes in Okayama University's courses (excluding the Discovery Program for Global Learners) are conducted in Japanese, so it is necessary to have sufficient proficiency in Japanese (Japanese Language Proficiency Test (JLPT) N1 passing or equivalent) to be able to understand the lessons

All classes in the Discovery Program for Global Learners are conducted in English, so no Japanese language proficiency is needed there. However, applicants for April admission to this program need Japanese language proficiency equivalent to that needed to pass the JLPT N1 test. The International Baccalaureate entrance examination is aimed at applicants who have completed the Language A course in Japanese and earned a rating of 4 or higher. (Some courses differ on this.) Applicants for the special entrance examination for privately financed international students take the Japanese test in the Examination for Japanese University Admission for International Students (EJU).

For details, make sure to confirm student applicant requirements for the academic year for which you will be taking the examination.

7. What level of results in the Examination for Japanese University Admission for International Students (EJU) do applicants need?

Faculty of Letters, Faculty of Economics, and Dental School use EJU result standards as qualification for applicants for the special entrance examination for privately financed international students, but other faculties and schools have not established standard scores as qualification for applicants.

In addition, specified EJU examination subjects and point allocation standards differ from one faculty or school to another.

8. 奨学金がありますか?

入学前に応募できる奨学金は限られています。入学後に申請可能な奨学金はありますが、そのほとんどが全国採用(全国の大学から推薦された者の中から財団が選考し採否を決定するもの)の奨学金であり、非常に競争率が高いです。

奨学金の詳細については、40~42ページを参照してください。

8. Are there any scholarships available?

Scholarships that can be applied for prior to matriculation are limited. There are scholarships that can be applied for after admission, but almost all of them are offered nationwide (foundations select recipients from among students recommended from universities throughout Japan and make the decision on whether or not to provide the scholarship), so there is extremely heavy competition for them.

For details, please refer to the page 40~42

 Please explain how to enroll as a Japanese-government (Ministry of Education, Culture, Sports, Science and Technology (MEXT)) funded international student.

A Japanese-government (MEXT) funded international student is one who has been provided a scholarship from the Japanese government (Ministry of Education, Culture, Sports, Science and Technology (MEXT)). Okayama University accepts two kinds of MEXT-funded students, "undergraduate students" and "Japanese studies students (NIKKENSEI)."

① Undergraduate students

This applies to students at least 17 years of age but under 25, who have completed a 12-year course of school education or have completed a school course corresponding to a high school education (including those expecting to complete one).

International undergraduate students are solicited by Japanese embassies (or consulates) overseas (through "embassy nominations"). For details, please contact the Japanese Embassy (or Consulate) in your country.

② Japanese studies students (NIKKENSEI)

This applies to students at least 18 years of age but under 30, who have registered in a foreign university's undergraduate course while in Japan and at the point of returning to their home countries, and who have majored in fields related to Japanese language and culture. There are two ways applicants are solicited: through embassy nominations by Japanese embassies and consulates overseas, and by universities in Japan, who nominate students mainly at universities that have a record of exchanges through arrangements such as exchange agreements between universities. Regarding embassy nominations, please contact the Japanese Embassy (or Consulate) in your country.

1. 岡山大学はどこにありますか?

岡山市の中心近くに位置する岡山大学は、岡山駅からわずか2キロにあります。街の中心部にありながら、豊かな緑を有する広大なキャンパスは、静かで勉強や研究に適した環境です。また、岡山へのアクセスは、東京から新幹線で約3時間半、新大阪から約45分です。

1. Where is Okayama University located?

Near the center of Okayama City, Okayama University is located only two kilometers from Okayama Station. Though in the middle of the city, the spacious campus with abundant greenery provide a quiet environment conducive to study and research.

Travel to Okayama Station by Shinkansen takes about three and a half hours from Tokyo Station, or about 45 minutes from Shin-Osaka Station.

2. 岡山大学に入学するための入学料と授業料はいくらですか? 入学料免除・授業料免除は受けられますか?

入学料、授業料は以下のとおりです。

■ 正規課程の場合

入学料 282,000円

授業料 535,800円 (※半期分267,900円を5月と11月に納 入していただきます。)

■ 研究生の場合

May and half in November.)

For research students

Admission Fee: 84,600 yen
