

# Post-Graduation Status of Residence: 'Designated Activities'

When international students who are enrolled in Okayama University as regular students want to continue looking for employment in Japan after graduation, the status of residence must be changed from 'College Student' to 'Designated Activities.' If the application is accepted the applicant is allowed to stay in Japan after graduation for 6 months. The period of stay may be renewed only once for a maximum total extension period of one year. In addition, if you have been engaged in entrepreneurial activities during your studies and wish to continue doing so after graduation, you are allowed to stay in Japan for up to two years after graduation to continue your entrepreneurial activities under certain requirements, please check this URL for details.
