GLOBAL JINZAI PROGRAM

3 WEEKS (39 HOURS)

15 August – 2 September 2022

AUD\$1210 per student

This three-week program combines language development with authentic interactions with members of the local

community, including University of Adelaide students.

This program has been specifically designed to introduce and replicate the experiences that students studying overseas gain whilst onshore in Australia. Through live-streamed activities, students will have the opportunity to experience the city and people of Adelaide in an online environment.

Experiences include:

- Social interactions with Adelaide domestic and international students
- Project teamwork involving Adelaide students
- Live-streamed tours and interactions with members of the community
- A look inside the home of an Australian family and an in-depth exploration of local customs

Objectives of this program include:

- Development of language abilities, especially in Speaking and Listening
- Increased communication confidence
- Greater understanding of cross-cultural communication
- Expanded high level communication skills including negotiation and presentation.

What our students say about Global Jinzai:

"We could practice English in various situations. Also we could learn Australian culture and lifestyle. And student guides and teachers are very kind for us!! So I had a very good time thanks to them."

"... I learned about Adelaide while I stayed home, and talked a lot to student

guides. I learned the similarities and differences in Adelaide and Japan."

"...all of the information such as Australian culture and life were useful for me because I have never been abroad. Everything was attractive. I appreciate that the university of Adelaide gave us this amazing program."

"I could feel the atmosphere of Adelaide even I was in Japan."

Assessment, Certificate and Graduation

Students will receive an assessment and grade report upon completion of their program. To mark the end of the program, a virtual closing ceremony can be held at the conclusion if desired by our partner institutions. Students will be provided with a Certificate of Completion. *Please note: these programs are non-award.*

Student Support

We understand that many students may not have studied in online mode before. We offer a pre-program orientation for program participants so that they are able to test their equipment and resolve any technical questions prior to beginning their academic program. This also gives

the opportunity for students to meet our friendly team who will be there to provide support throughout our virtual programs.

ELC Social Club

Whether in-person or online, students love to interact with their peers from the University of Adelaide. Even though we can't meet in person, our online guided chat forums with local Adelaide volunteers and University of Adelaide students are a popular way to stay connected, and are an ideal way for students studying virtually with us to learn about Australian culture.
