Study a session in Australia and explore our beautiful country...

# Adrian’s Story

“I grew up in Mexico and the US (West Coast Best Coast). My study journey began in San Francisco, made its way to Madrid, before settling down on the Gold Coast.

I was originally only supposed to be in Australia for a year on a study abroad program, but I enjoyed the lifestyle and studying at Southern Cross so much that I decided to stay to finish my degree.

The Gold Coast is just amazing, from the coast, to the mountains, and the people that live here. Having grown up next to the beach, it’s saying a lot when I say I enjoy the Gold Coast beaches more.

I’m pretty active on campus from being the Rainbow Alliance Rep for CoastRs at Southern Cross, to running a skateboarding club called Board AF.”

**Adrian Jimenez**  
Bachelor of Speech Pathology student

“My time here at Southern Cross has been very busy because I have been travelling almost every weekend. The Study Abroad team has very helpful, showing us how to travel around this great country!”

**Richie**  
University of Wisconsin-Stout (USA)

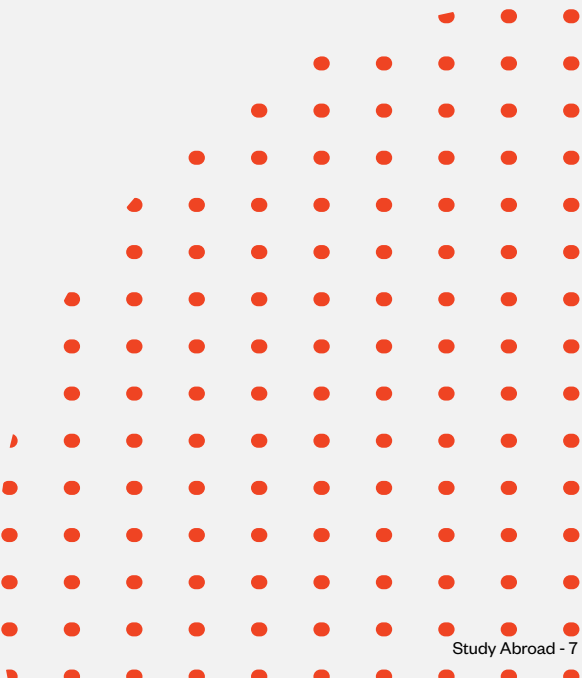

“Adventure isn’t solely outside, it is within. I can feel it, you can see it.”

**Dany**  
(USA)

“Studying abroad at Southern Cross University Lismore has been such a life changing experience for me! It has given me the opportunity to learn abroad while also fulfilling my dream of travelling through Australia. After being here, I wish I could stay forever!”

**Maddie**  
University of Wisconsin-La Crosse (USA)

## Gold Coast Campus

Our Gold Coast campus is located at Coolangatta, just 400 metres from North Kirra Beach and adjacent to the Gold Coast Airport. Views of the Pacific Ocean and Gold Coast Hinterland can be enjoyed from many vantage points in the campus buildings.

### About the Gold Coast

Internationally known as a tourist destination, the Gold Coast is also a major centre for tertiary education. The Gold Coast is Australia's sixth-largest city, with a population of more than 540,000 people. Famous throughout the world, the Gold Coast's attractions include 70 kilometres of beaches, tropical rainforest hinterland and numerous bush walks, parklands, major shopping centres, theme parks, markets, festivals, sport and entertainment events. Each year the Gold Coast welcomes more than 5.3 million visitors.

Visit: [scu.edu.au/Goldcoast](https://scu.edu.au/Goldcoast)

Southern Cross University's Gold Coast campus is spread across three contemporary buildings that house innovative learning spaces, health science laboratories, lecture theatres with live video broadcasting, computer labs, and student lounges.

Our course options reflect the growth and diversity of the city itself, matched with state-of-the-art facilities. The public Southern Cross University Health Clinic serves an important role for the local community and our students. It is complemented by clinical laboratories for nursing and midwifery and laboratories for physiology, anatomy and biomechanics.

The University includes a student services hub catering for support and enquiries. Upstairs, the library offers stunning views of the ocean on one side and the Gold Coast Airport and hinterland on the other.

## Lismore Campus

Our Lismore campus is set within 75 hectares of lush, sub-tropical grounds, landscaped gardens and rainforest walkways. We are part of a region acknowledged for its natural beauty and creative culture.

### About Lismore

Lismore is located in the Northern Rivers region of NSW, surrounded by charming villages and close to the coastal towns of Byron Bay and Ballina. Artistic, alternative and socially active, Lismore is a superb location to live and study, renowned for its proximity to subtropical World Heritage rainforests, access to stunning beaches and signature events such as Splendour in the Grass, Byron Bay Bluesfest, Byron Writers Festival, Mullum Music Festival and Lismore Lantern Parade.

Visit: [scu.edu.au/Lismore](https://scu.edu.au/Lismore)

The Learning Centre is the beating heart of student life at Southern Cross University's Lismore campus. This state-of-the-art facility features individual and collaborative learning spaces and library resources. It's also adjacent to Goodman Plaza, a bustling venue with its eateries, banking facilities and student services.

Elsewhere on campus, our health laboratories cater for studies such as anatomy and physiology, chemistry, a wide variety of sciences, biomechanics, manual therapies and nursing. In turn, the Southern Cross University Health Clinic provides allied health services to the general public, students and staff, and clinical experience for students.

We are proud of our first-rate science and engineering education precinct, offering world-class facilities for civil and mechanical engineering, alongside laboratories with advanced analytical equipment for biology, chemistry, geology and more.

Creative studios for visual arts students include painting, printmaking, 3D and digital art and design. Studio One29 is an industry-standard teaching and performance space for our renowned music program.

Along with the gym and pool complex, students also have access to the weights room, indoor courts and sports field.

## Coffs Harbour Campus

The Coffs Harbour campus is immersed in the rolling hinterland of the New South Wales mid north coast, a coastal location at the heart of an education and innovation hub.

### About Coffs Harbour

Located approximately halfway between Brisbane and Sydney, where the escarpment of the Great Dividing Range meets the Pacific Ocean, Coffs Harbour is a popular tourist destination of around 75,000 people.

Coffs Harbour boasts a relaxed coastal lifestyle but this growing city also hosts international sporting events and regional festivals thanks to outstanding facilities and a major regional airport.

Visit: [scu.edu.au/Coffsharbour](https://scu.edu.au/Coffsharbour)

At the entrance to the Coffs Harbour campus is a multi-million-dollar Health Sciences Building featuring a biomechanics running track and high-tech simulation teaching laboratories for our health science degrees.

The campus also has a fitness centre, extensive landscaped grounds, on-campus accommodation, sporting fields and close proximity to beautiful beaches and national parks.

The University's world renowned National Marine Science Centre is located in nearby Charlesworth Bay, on the shores of the Solitary Islands Marine Park, a unique environment where tropical, subtropical and temperate waters converge. The Centre has state-of-the-art teaching and research facilities, climate controlled laboratories, aquaculture facilities including a commercial hatchery, a public aquarium and a flow-through sea water system.

## SCU International

SCU International at Southern Cross University is an award-winning team dedicated to making your experience at our University rewarding and enriching. The team assist students with pre-departure information, settling in, orientation, student visa advice and health insurance advice, dedicated advisers, wellbeing and welfare.

## Orientation

Orientation week is the first week before studies commence. It is designed to help students settle into their new environment and meet new friends. Orientation includes tours to Currumbin Wildlife Sanctuary where you can see Australian wildlife as well as other excursions to explore our local area.

## Community engagement

Students can volunteer with local community organisations including the Koala Hospital located on the Southern Cross University Lismore campus, or at local festivals.

## Explore Australia

Part of your study abroad experience includes exploring all Australia has to offer. SCU International organises a range of trips, from camping adventures in the Australian outback to exploring World Heritage rainforests and waterfalls, or surf lessons at our beautiful local beaches. Trips are designed to discover the best of our country and build lasting relationships with your new classmates from around the world.

## Ambassadors

Student ambassadors are carefully selected international students who work with our international student support team. Their role is to provide a point of contact for new students, having experienced the same challenges of living and studying in a new country. Ambassadors mentor students, organise and participate in events and coordinate volunteering. They provide invaluable support for international students coming into an unfamiliar environment, a new culture and language without the support of their families.

# Campus life

Get more out of your university education by joining a club, playing a sport or participating in the many social and cultural activities that make our campuses such great places to study.

## UniLife

Apart from getting a first-class education, going to university enables you to have fun and make friends for life.

The UniLife team offers professional services and innovative, dynamic programs to enrich your university experience under the banner 'Live, Work, Play'. Their aim is to encourage both your academic success and support your wellbeing, by focusing on the achievement of your educational, professional and personal goals.

Programs and services include coordination of social sports competitions and events; Uni Games and championships; the Elite Athletes and Performers' Program; clubs and societies; and University-wide events such as orientation, UniLife Awards, snow tour, learn-to-surf camps, and other national competitions.

Visit: [scu.edu.au/unilife](https://scu.edu.au/unilife)

## Get sporty

Learn to surf at one of Australia's famous surfing beaches. Run in the Gold Coast Airport Marathon or Southern Cross University 10km Run. While sports available at each campus differ, activities include mountain bike riding, swim clubs, water polo, rugby clubs, AFL, soccer, badminton, cricket and netball. The Southern Cross University Fitness Centre and Pool, at the Lismore campus, is a fantastic facility with modern gym equipment and an indoor heated pool, offering a choice of group exercise classes or private training.

## Join a club or society

Interested in something? You're bound to find others who are too! There are clubs for interest and sporting groups, clubs for women, clubs for men, clubs for Indigenous awareness and for LGBTIQ and clubs for mature-aged students.

The University community joins together to celebrate our diversity and to learn more about each other throughout the year. This includes events relating to Aboriginal and Torres Strait Islander peoples; cultural diversity and social inclusion; and gender and sexuality diversity. The Fusion festival showcases our cultural diversity every year.

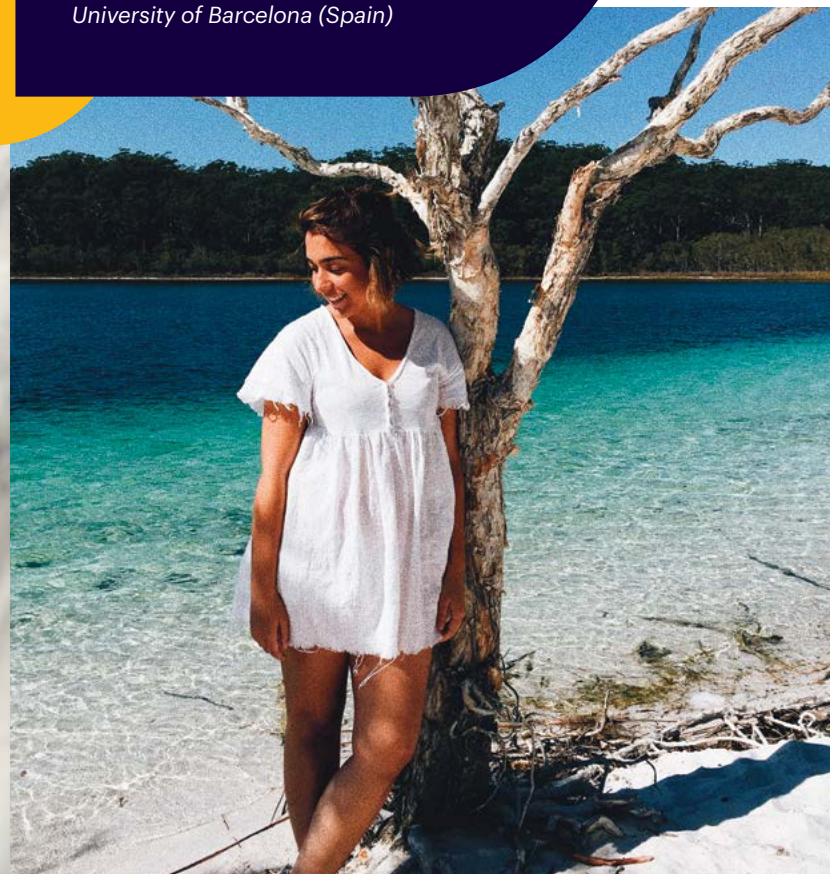

5-Star student support

"Getting the chance to visit some of the most beautiful places in this wonderful country is only part of the adventure. When you arrive at Southern Cross University you fall in love with the stunning campus, seeing koalas and wallabies on the way to class is something that can only happen here."

University of Barcelona (Spain)

# The Southern Cross Model – A better way to learn

Southern Cross University has introduced a new, innovative academic model which provides guided and active learning experiences focused on supporting student success. The Southern Cross Model delivers a deeper, more engaged learning experience, centred around greater interactivity and connection with real world applications.

The model divides the academic calendar year into six study terms of six teaching weeks each. Students study two units per term, allowing them to focus on two subjects at a time and manage assessments more easily. Learning activities are carefully sequenced to support a dynamic experience and to ensure deeper engagement with subject content.

- Deeper, 'active' learning
- Real-world applications
- Achieve milestones quickly
- Easier to manage assessments
- Maximum two units per term
- 150 hours per unit

# Accommodation

## Gold Coast

# Academic English Pathways

## English For Academic Purposes (EAP)

**Duration** 5 to 50 weeks  
**Location** Gold Coast, Lismore

**CRICOS 064715B**

**2022 Tuition costs:**

\$450 per week for 15 weeks or less (20 hours face-to-face tuition + 5 hours self-study) or \$420 per week for 16+ weeks.

\$240 enrolment fee (non-refundable)

\$300 Workplace Observation placement fee.

**Course overview**

English for Academic Purposes (EAP) prepares students for study at Southern Cross University. Our intensive EAP program runs three times a year, just before university classes begin. EAP builds on existing English language abilities in reading, writing, speaking and listening. It then develops students’ academic and digital literacy practices, including: researching, referencing, note taking, using the Southern Cross University Learning Management System and giving presentations.

**Admission requirements:** Students will be assigned to an appropriate English language level based on proficiency scores (e.g. SCU College English Language Test, IELTS) presented on application. Successful completion of EAP provides direct entry to a range of Southern Cross University degrees.
