Overview of the Academic Affairs System

Overview of the Academic Affairs System

The Academic Affairs System is designed to support various procedures that are vital to your campus life (i.e. academic affairs) such as registering courses, viewing academic records, and issuing certificates. An Okayama University ID (hereafter Okadai ID) is required to use the system. (The Center for Information Technology and Management will assign each student with an ID at the time of admission.)

* An Okadai ID is required to access various information services on campus. Please manage your ID and password properly. (Do not share them with anyone else.)
* Automatic certificate issuing machines are installed at the following locations:
  Tsushima Campus: the Building for General Education (two machines), Peach Union (one).
  Shikata Campus: on the 1st floor of the Administration building (one).

* When using a public PC that is accessible to multiple users, be sure to log out and close all browsers at the end of your session.

Registering for courses online

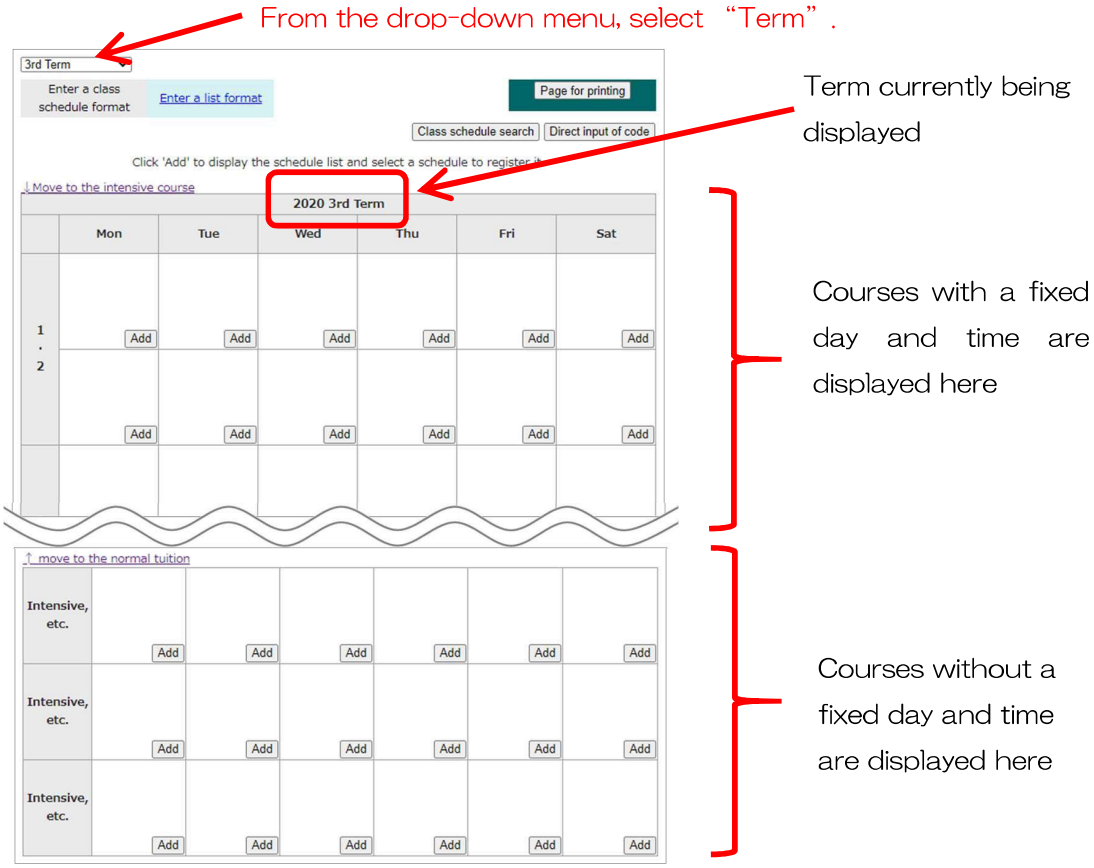
Register for the courses of your choice using the online registration system:

The registration process is divided into two periods; namely the Course Registration Period, where you can add and drop courses, and the Course Deletable Period, where you can only drop courses. Details regarding the duration of each period will be announced separately by each faculty and may differ slightly. Additionally, there may be some courses that students are not able to register for online by themselves, so please pay close attention to the notices displayed on the Academic Affairs System.

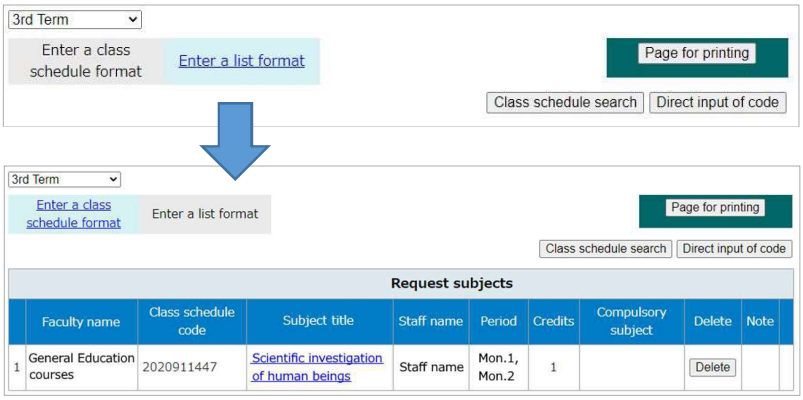
1. Course Registration screen

1 From the top menu, select “Course grades” ≫ “Course registration”.

2 The Course registration screen will appear.



Select “list format” to display the course information.



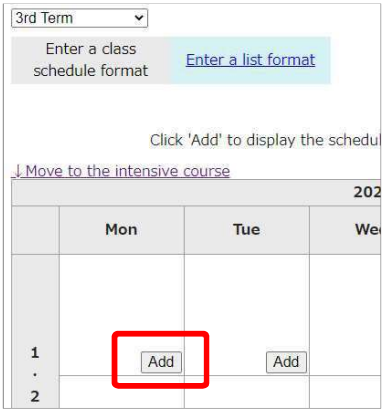
2. How to register for courses

Choose one of three ways to register for your courses:

①	Register using the Course schedule (Crick the “add” button on the timetable display page)
②	Register using the Course schedule search
③	Register by directly entering the course code (4 digits for the year + 6 digits for the lecture number)

2-1. Register using the Course schedule

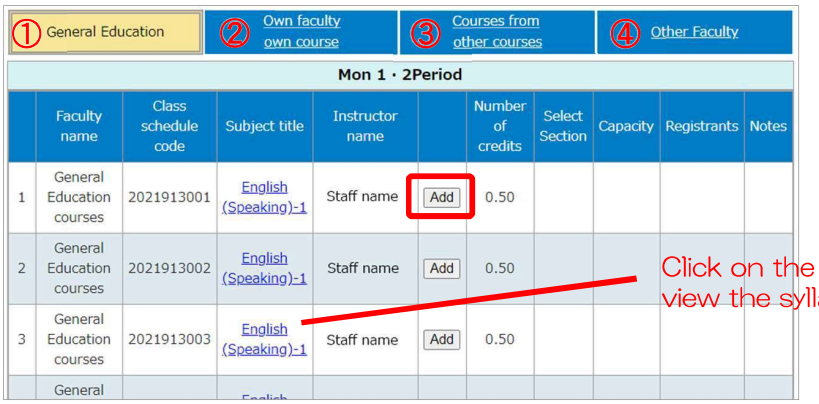
1 After confirming the day and time of the desired course, click the “add” button in the corresponding time period.



2 A new window will open displaying all of the courses within your curriculum offered at that time period.

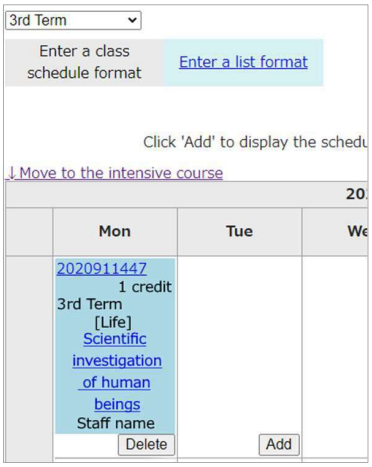
* Even if a certain course is not counted towards the graduation requirement, it will be displayed if the course is available for you to register.

Click the "*add*" button for the course you wish to register.



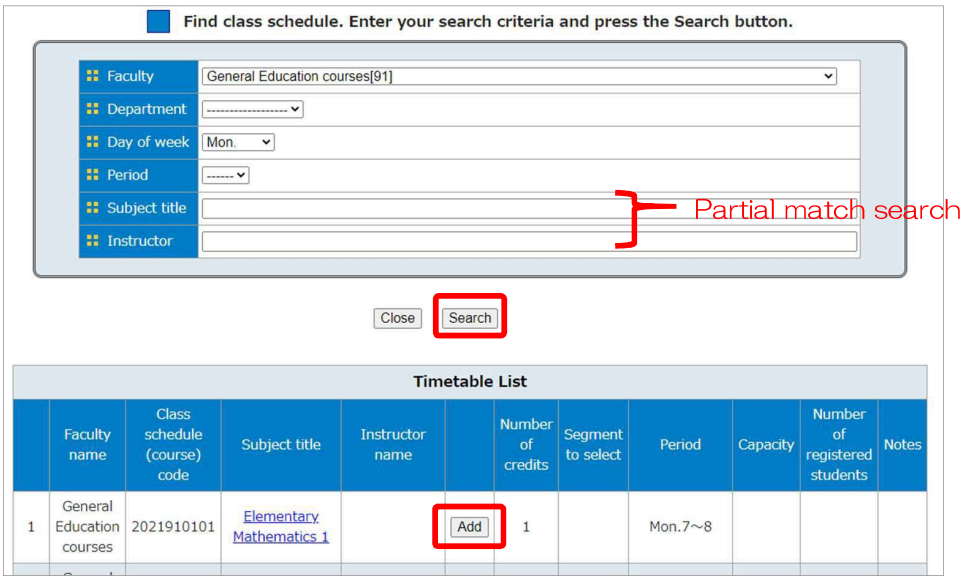
①	General Education courses	General education subjects in the curriculum
②	Courses from own department and own course	Applicable for education faculty teaching course
③	Courses from other courses	Courses that fall outside the curriculum in your faculty or course, but are open to other students
④	Other Faculty	

3 If there is no problem with the error checking process, the course will be displayed in the timetable as follows:



2-2. Register using the Class schedule search

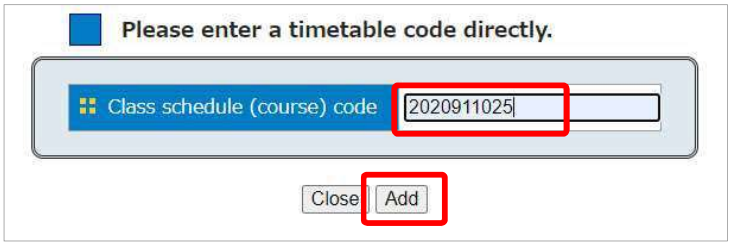
After clicking on "*Class schedule search*", a new window will open displaying the advanced search box shown below. You can search for a course using any of the following fields: Faculty, Department, Day of Week, Period, Course Title, and Instructor.



2-3. Register by directly entering the course code

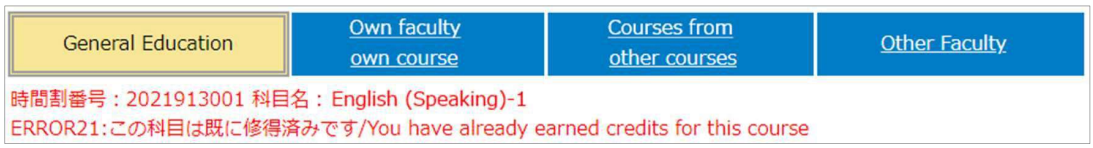
After clicking on "*Direct input of code*", a new window will open, as shown below. In the space provided, enter the relevant course code. (Please note that you should look up the course code in advance.)

Course code: 4 digits for the year + 6 digits for the lecture number



2-4. If an error occurs

If an error occurs, it will be displayed as follows, so please check the syllabus to confirm registration requirements. If you cannot understand the cause of the error, please inquire at the Academic Support office in the faculty where the course is offered.



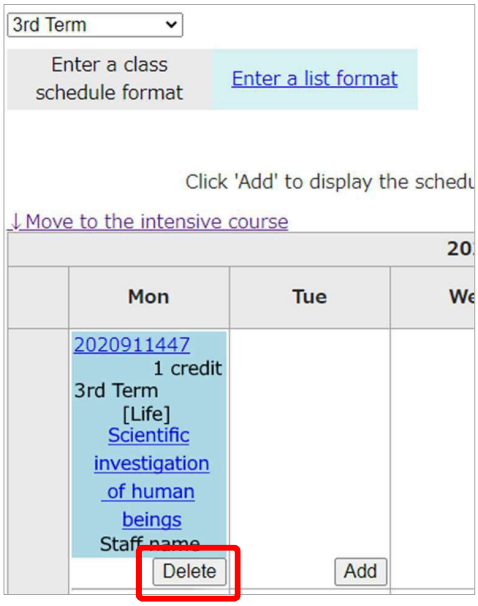
Types of errors (example)

Error code	Error message	Reason /Appropriate response
11	同一曜日･･時限に複数の科目が申告されています /Duplicate course registration error	The Course has been registered.
21	この科目は既に修得済みです/You have already earned credits for this course	A course for which you earned credits and which cannot be repeated has been chosen. The course must be deleted.
35	この科目を履修できる年次ではありません /Registration qualification error	You cannot take the course because registration is restricted to students from certain faculties or years. Please check the syllabus.
37	この科目を履修できる所属ではありません /Registration qualification error	
41	この科目は履修できません/Error not related to the curriculum	Please contact the Academic Support office of your faculty.
51	次の科目を履修しないと履修できません /Prerequisite error	You have not earned the necessary credits or have not met the requirements to take the course. Please check the syllabus.
52	次の科目を履修しているため履修できません /Prerequisite error	
62	履修上限を越えています/You have reached the maximum credits for this term	You exceed the credit cap (this varies according to faculty). The registered course must be deleted.
91	休学中は履修申請できません/Leave of Absence	Students on leave of absence, study abroad and suspended cannot register for the course. Please contact the Academic Support office of your faculty.
92	留学中は履修申請できません/Study Abroad	
93	停学中は履修申請できません/Suspended from university	

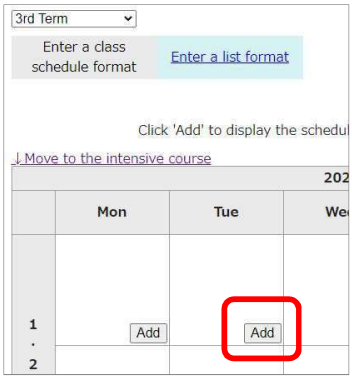
3. How to drop a course

In order to drop a course, click the "*delete*" button displayed on the timetable.

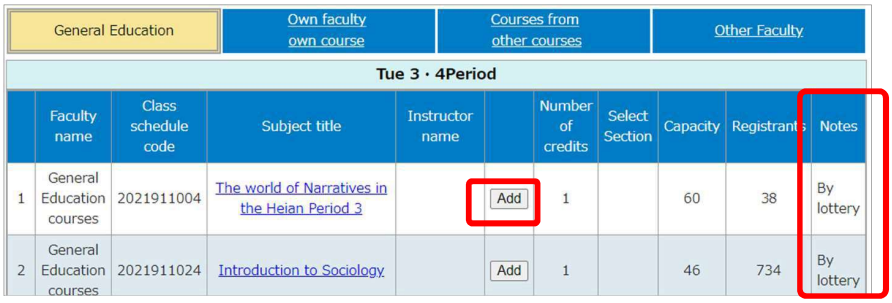
Students should be able to drop any course during the Course Registration Period and Course Modification Period; however, there may be some courses that students are not able to drop by themselves. For example, courses registered by the Academic Support division.



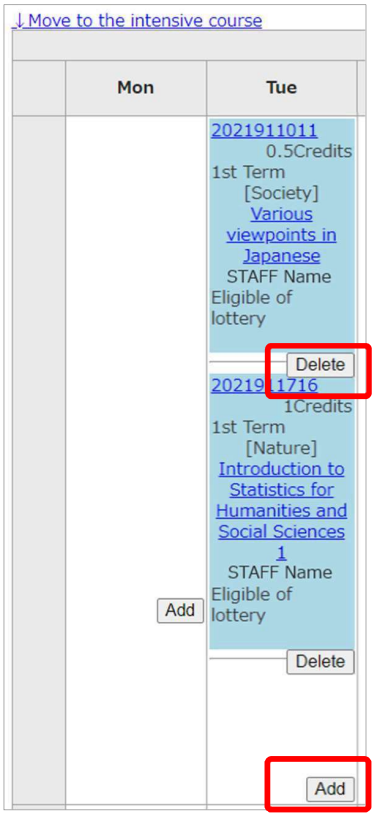
2 After confirming the day and time of the desired course, click the “add” button in the corresponding time period.



3 A new window will open displaying all of the courses within your curriculum offered at that time period. Click the “*add*” button for the course you wish to register.



4 If there is no problem with the error checking process, the course will be displayed in the timetable as follows:



<Add>

If you want to add more courses, repeat steps 2 and 3. You can register for up to 5 courses in the same time frame.

<Delete>

If you want to change your request, click the “Delete” button.

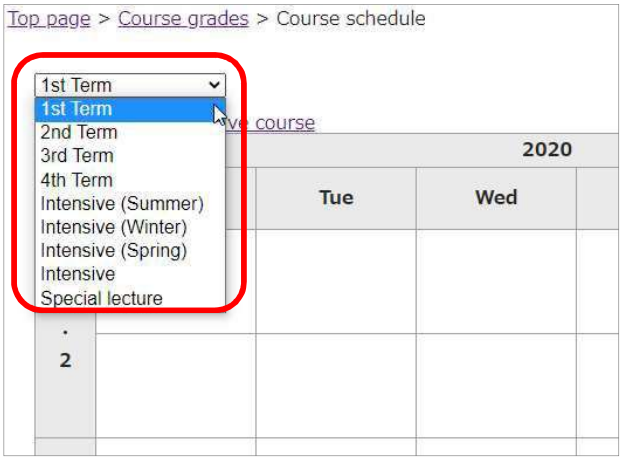
Course schedule and calendar

1. Course schedule

You can see the registered courses for each term by accessing your course schedule.

1 From the top menu, select "*Course grades*" ≫ "*Course schedule*".

2 You will be redirected to your course schedule page. From the drop-down menu, select the relevant academic term. (Initially, nothing is displayed, so please specify the term.)



3 If you click on the course code, you will be forwarded to the course syllabus. If you click on the course name, you will be redirected to the Moodle page for that course.

Okayama University Moodle system

Moodle is the name of the Learning Management System (LMS) at Okayama University. It supports your classes and other learning activities online. In the Moodle system, the contents of each course, such as lecture materials, references, quizzes, assignments and class evaluations, are managed.

> ＊ You must check with the instructor of each class and follow their instructions regarding Moodle, as it is used differently depending on the course.

1． How to access Moodle

1 Access Moodle through the following URL or QR code.

- Okayama University Moodle
  https://moodle.el.okayama-u.ac.jp/
- You can view it from off campus by computer or mobile phone.

To access from the Okayama University official homepage, click “在学生・保護者の方” from the menu bar on the top → then click on “Moodle” on the bottom banner.

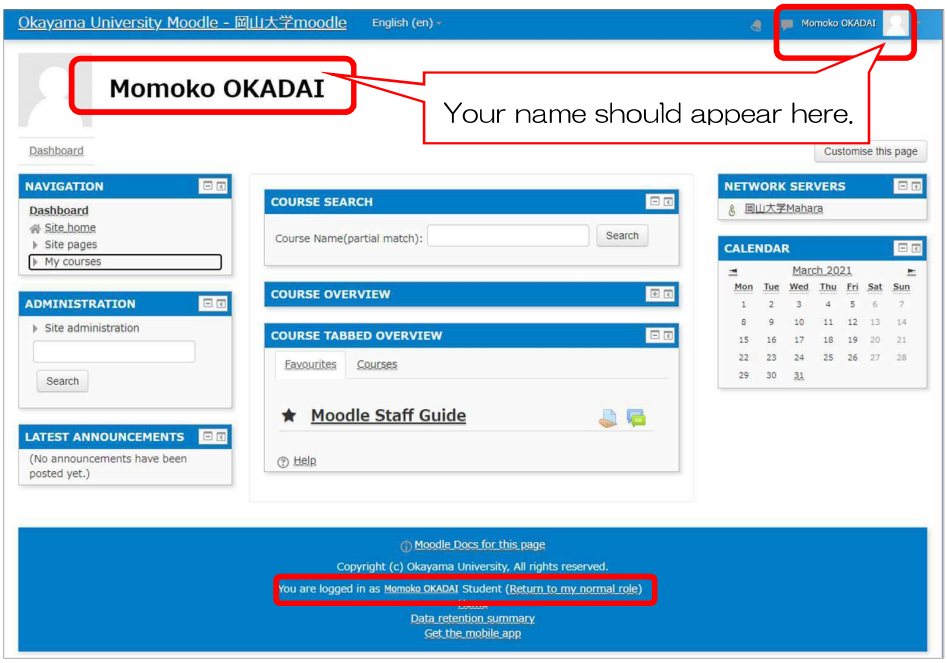
2 The Moodle top page will be displayed. Click on either button below to log in.

Choose the language for titles and other names.
The course content will not be written in English unless the instructor writes in English.

3 Log in with your Okadai ID and password

4 The main “dashboard” page will be displayed after log in.

Please make sure your name is on the page.



2． Course overview

All available classes will be in the “My courses”.

If you are not automatically registered for a course, follow the instructor’s instructions to register yourself.

＊ Course registered by 23:00 will be confirmed in the morning of the **next day** on the Moodle page.

Types	Registration on Moodle system	Available period	Course name
Currently enrolled course	Automatically registered	During academic year after registration	{Academic year + Course number} & Course title
Course evaluation	Automatically registered	Designated period	(Course evaluation) {Academic year + Course number} & Course title
Others	• Registered by the instructor • Self-registered	Depends on setting	Various names

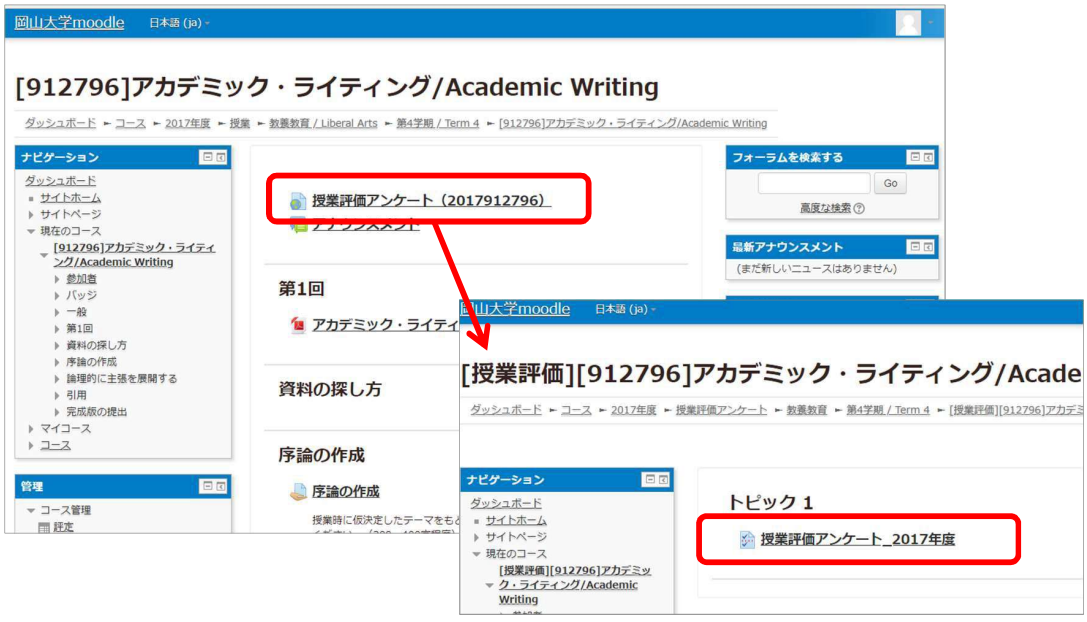
3． Course Evaluation

Okayama University conducts course evaluations in order to use students’ opinions to facilitate improvements. It is all conducted in the Moodle system anonymously. Your evaluation will not affect your grades.

＊ The evaluation period and other details are posted on the homepage and bulletin boards.

＊ You will see the link to the evaluation in the Moodle course during the specified period.

＜Screen of the course during evaluation period ＞



Gmail

Okayama University provides information to students via bulletin boards and the Okayama University official homepage. In addition, important information is sent by email to students' Gmail addresses assigned by Okayama University (hereafter called Gmail), such as notices or advance notices of lecture cancellations due to official weather warnings, important academic matters, and other emergency announcements.

You may receive the following notices via Gmail.

☆ Examples of Gmail messages from the university

(1) Announcements on course registration, academic performance, etc. from the academic affairs system
(2) Notices (including advance notices) of lecture cancellations due to weather warnings
(3) Notices about infectious diseases (e.g. influenza) and messages to prevent the spread of infection
(4) Notices regarding restrictions of access to the campus due to entrance examinations, etc.
(5) Notices about seminars and events
(6) Other announcements about university-related matters

Please check your Gmail messages regularly by auto-forwarding the messages from your Gmail account to your mobile phone or frequently used email account.

Gmail messages will be summaries of important notices from the university. Please check details on the campus bulletin boards and Okayama University website.
