Appendix (Definition)

Student: A student is an individual who is enrolled not less than half-time in a high school*, trade school, technical or vocational institute, junior college, college, university or other accredited educational institution. An individual who is a student is deemed not to have ceased to be a student during an interim between school years if the interim is not more than 5 months and if such individual shows to the satisfaction of the agency that the individual has a bona fide intention of continuing to pursue a course of study or training in the same or different educational institution during the school semester (or other period into which the school year is divided) immediately after the interim.

* **NOTE:** To be considered for the FNSIP, students must have graduated from high school or equivalent secondary school prior to beginning the program and must be at least 18 years old. Also, there is not a break of service for purposes of this requirement if an individual is receiving academic credit for the internship, even if not otherwise taking classes.
