Please note that FSci would finalize and offer scholarships for students who are nominated by our partner universities and meet the criteria and match with our required posts for an internship at FSci. **Partner universities can also allocate scholarship slots among their students** e.g. nominating 5 students for 50% scholarship instead of 1 for full scholarship and 3 for 50% scholarship. Students who wish to be considered for partial scholarships can apply **without nominations** from the home university. Students who do not get a scholarship can be accepted into the program with paying the full program fee.

\*\*\*Please note that all the international students joining this program have to be responsible for the following expenditure by themselves for the total duration of their stay in Thailand:

- Living allowance
- Electricity and water bills at the dormitory (split with your roommate(s))
- Passport fee at own country
- Entrance visa fee to Thailand
- Insurance that covers health and accidents including COVID-19
- Round-trip flight tickets (or other means of transportations from home country to Thailand)
- Other personal expenses

\*\* FSci has the final authority for acceptance and scholarship decision.

#### Credit authorization

FSci, KMUTT will issue a certificate during the closing ceremony, which certifies that students have participated in FSci International Internship Program 2026. If the home university authorizes the program as an internship/other course, the student will earn credits according to home university. The authorization of the credits is at the discretion of home university, and FSci, KMUTT will not be able to interfere with the decision.
